

MEGApix Bullet and Color Box IP Cameras Released!

Tampa, FL June 19, 2013 – Digital Watchdog is excited to announce the new bullet and color box additions to the extremely popular MEGApix Camera Series. The new DWC-MB421TIR and DWC-MC421D are the latest IP cameras offered by Digital Watchdog to match any project and surveillance need.

The bullet and box MEGApix™ cameras are triple codec network cameras that provide 1080P megapixel resolution at 30 frames per second and are OnVIF Profile S certified. Both cameras offer advanced image technologies such as 3D-DNR, and WDR, while the bullet camera also offers 4.5x Optical Zoom, True Day and Night, and 100ft Range Smart IR. In addition, these new cameras offer paramount hardware features such as Two-Way Audio, Micro SD Card support, and Sensor Input and Output Control. And Power over Ethernet will simplify installation by connecting both power and network through a single cable.

The MB421TIR and MC421D include the following features:

- › ONVIF Compliant, Profile S, Fully integrated with DW Spectrum IPVMS
- › 2.1 Megapixels [1080P, 30fps]
- › Triple Codecs [H.264, MJPEG, MPEG4] with Simultaneous Dual-Stream
- › 1/2.8" CMOS Sensor [7% Larger Than 1/3" CMOS Sensor]
- › 3.5~16mm Auto Focus Lens [**DWC-MB421TIR**]
- › 4X Digital Zoom, 4.5X Optical Zoom [**DWC-MB421TIR**]
- › 100ft IR with Intelligent Camera Sync, True Day and Night [**DWC-MB421TIR**]
- › Power over Ethernet [PoE] & DC12V
- › Two-Way Audio
- › Micro SD/SDHC Class 10 Card for Emergency Backup
- › IP66 Certified Weatherproof [**DWC-MB421TIR**]
- › WDR (Wide Dynamic Range)
- › 3D-DNR (3D Digital Noise Reduction)
- › Programmable Privacy Zones (30) & Motion Detection
- › Compatible with C and CS Mount Lens [**DWC-MC421D**]

Scan the barcode to access Digital Watchdog's website for more information, specifications, and manuals for the MB421TIR and MC421D.
