

Digital Watchdog® Expands MEGApix® IP Line with New PTZ

Tampa, FL November 20, 2014 – Digital Watchdog is pleased to announce the expansion of our IP technology product line. DW now offers the popular MEGApix IP camera technology in a new 2.1MP Pan, Tilt, Zoom (PTZ) camera with 5X optical zoom in both flat dome and flush mount models. These very aggressively priced cameras further round out our already proven IP product line, offering additional examples of our commitment to delivering powerful and reliable security solutions to our customers worldwide.

The MPTZ5X camera is a triple codec PTZ network camera that provides 1080P megapixel resolution at 30 frames per second. The camera's advanced features such as True Day/Night, 3D-DNR and WDR help to deliver the best images in any type of lighting environment. The camera's powerful 5~25mm Lens offers 5x optical zoom controlled from the camera's web-viewer without the need for additional cabling. PoE and a Micro SD card port boost ease of installation and management. The MPTZ5XFM flush mount model offers additional features such as 2-Way Audio and Sensor In/ Out Interface.

The new MEGApix cameras include the following features:

- › 2.1 Megapixels, 30fps at All Resolution
- › Triple Codec, Simultaneous Dual-Stream
- › 1/2.8" CMOS Sensor
- › 5~25mm Varifocal Auto Iris Lens
- › 5X Optical Zoom with Auto Focus, 12X Digital Zoom
- › Auto Day and Night with IR Cut Filter
- › Pan 0~350°, 120° Per Second Pan Speed
- › Vector Drive Technology
- › Two-Way Audio, 1 Sensor Inputs, 1 Sensor Output [DWC-MPTZ5XFM]
- › 255 Preset Positions, 4 Sequences, 8 Swings, 8 Tours
- › WDR
- › 3D-DNR
- › Micro SD/SDHC Class 10 Card Port for Emergency Backup [Card Not Included]
- › ONVIF Conformant, Profile S
