# After checking your email account and clicking on the activation link you will be redirected back to DynDNS Then Log into account

The screenshot shows the DynDNS.com website interface. At the top left is the DynDNS.com logo with the tagline "by Dynamic Network Services Inc.". To the right are input fields for "Username" and "Password", and a "Log in" button. Below these are links for "Lost Password?" and "Create Account". A yellow navigation bar contains links for "About", "Services", "Account", "Support", and "News". On the left side, there is a "My Account" sidebar with links for "Create Account", "Login", "Lost Password?", and "My Cart" (0 items). A search box is located at the bottom left. The main content area displays a green checkmark icon followed by the heading "Account Confirmed". Below this, a message states: "The account `dvname` has been confirmed. You can now [login](#) and start using your account." Under the heading "Getting Started", there is a list of five links: "Surf without the sharks and browse the web faster with Internet Guide", "Create a dynamic DNS host with your own domain name", "Create a dynamic DNS host within our Free domains", "Setup email services", and "Register a domain name". To the right of the text is a banner for "INTERNET GUIDE" featuring a surfer and the text "SURE WITHOUT THE SHARKS" and "CLICK HERE TO GET IT". The banner also lists features: "Web filtering", "Anti-phishing", "Anti-fraud", "Anti-spyware", "Anti-malware", "Faster web experience", "No network settings needed", and "One-click install". At the bottom, the footer contains copyright information: "© 1998-2010 Dynamic Network Services Inc. - [Legal Notices](#) - [Privacy Policy](#) - [Contacts](#)", and a "TRUSTE CERTIFIED PRIVACY" logo.
