NV5200 Series

Product Features:

- **Supports up to 64 Cameras**
- **Displays up to 16 Simultaneous Live View or Playback Channels in Any Combination of 1 to 16**
- **16 Simultaneous Queries**
- **No Loss of Camera Video or Audio During Network Outages**
- **Intelli-Search search and scan for easy retrieval**
- **Expandable Storage Capacity Using Digital Watchdog's VSERVER**
- **Records Video, Audio, and Data Streams for Every Channel**
- **Hot-Swappable Hard Drives and Power Supplies (Optional)**
- **Fault Tolerance and Performance Enhanced Through Use of RAID 5 (Optional)**
- **Redundant Power Supplies (Optional)**

NV5200 Series Network Video Management System Supports Up to 64 Sites or IP Cameras with Network and Hardware Redundancy

The Digital Watchdog NV5200 Network Video Server is the industry benchmark for Network Video Centric applications. The NV5200 establishes a strong and flexible foundation for your networked surveillance systems by providing scalable support for 16, 32 and 64 IP security cameras. The NV5200 is the primary system foundation for integration of Digital Watchdog HVT301TX, HVT301RX, HVT301TRX, and HVT1204 Network Video Server technology.

Easy to use Graphical User Interface allows users to monitor and search through archived video quickly.
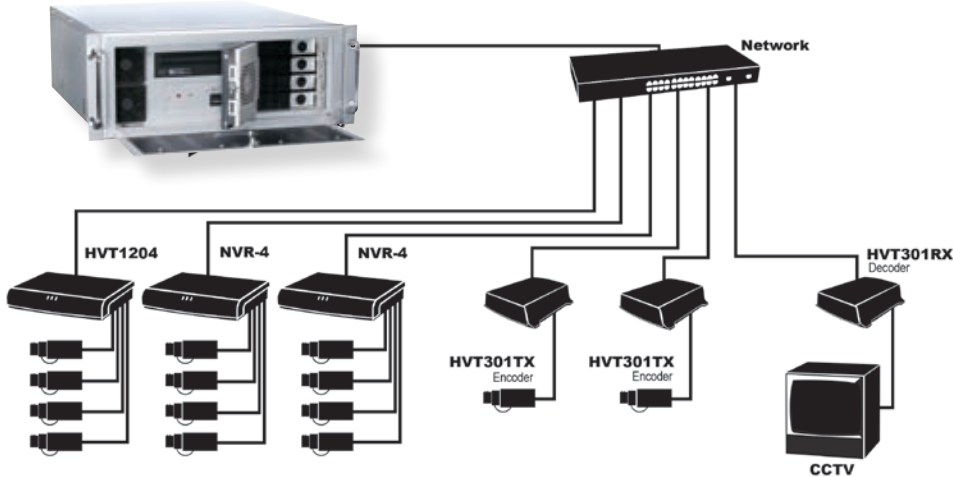

The NV5200 offers optional "Hot Swappable" hard drives as well as fault-tolerant RAID-5 capability. Our redundant power supplies prevent loss of video/audio due to network outages or hardware failure. These features, along with many others, position the NV5200 Network Video Server as a highly reliable solution for any network video application.

Always protect your investments with Digital Watchdog.

Technical Specifications

Electrical

Input Voltage	100-240 VAC, 50/60 Hz Auto Ranging
Type	4U Rack Mount Chassis, Black Color
Power Consumption	450 Max
Operating Temp.	40° to 104°
Operating System	Windows 2000
Humidity	Max 80%
Video Compression	MPEG-4
Dimensions	7"H x17"W x 22"D
Weight	60 lbs
Shipping Weight	99 lbs

Part Numbers

Maximum Number of Channels	Model No.	Internal Storage (GB)	RAID 5 HDD Configuration
16	DWNV 5216-250	250	No
	DWNV 5216-500	500	No
	DWNV 5216-750	750	No
	DWNV 5216-1000	1000	No
